**Kansas Development Finance Authority
Kansas Housing Resources Corporation****Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 2 p.m. Monday, February 23, in the main conference room of the Curtis State Office Building, 1000 S.W. Jackson, Suite 100, Topeka, to consider proposed a proposed new regulation, K.A.R. 127-1-1. This regulation is proposed for adoption on a permanent basis.

K.A.R. 127-1-1 establishes a procedure for implementation of a waiver of the accessibility standards of K.S.A. 58-1402. The regulation establishes the information that is to be submitted with each application for a waiver and the timelines for review. It further stipulates that these requests for a waiver are not subject to the Kansas Administrative Procedures Act (K.S.A. 77-501 *et seq.*)

The application requirements set out in K.A.R. 127-1-1 may have a limited economic impact on the developer or contractor; there may be a fee associated with providing a notarized estimate of the costs of complying with the accessibility standard or standards for which a waiver is requested. As the costs of construction typically would be detailed in the normal course of construction projects, the added cost of notarizing the appropriate cost data should be minimal. There also may be limited cost to the Kansas Housing Resources Corporation (KHRC) for review of the documents by KHRC staff. That time is estimated to be not more than two to four hours to review a waiver, and these responsibilities can be handled by existing staff.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. Comments may be submitted prior to the hearing to Norma Phillips, Executive Vice President, Kansas Housing Resources Corporation, 1000 S.W. Jackson, Suite 150, Topeka, 66612-1354.

All interested parties will be given a reasonable opportunity at the hearing to present their views. It may be necessary to request each participant to limit any oral presentation to five minutes. Any person requiring visual, hearing or other communication aid or assistance, building access assistance or other similar accommodation should contact the Kansas Housing Resources Corporation so appropriate arrangements can be made.

Copies of the regulation and the economic impact statement may be obtained at the address above or by calling (785) 296-5865.

**Highland Community College
Highland, Kansas****Notice of Intent to Issue Revenue Bonds**

The Board of Trustees of the Highland Community College, Highland, Kansas (the district), adopted a resolution December 10, 2003 (the resolution), declaring necessary and authorizing improvements to the Student Union, Housing and Fieldhouse System (the system), comprised of constructing and equipping a student activities center of approximately 36,000 square feet, all on the campus of Highland Community College, Highland, Kansas (the project), at an estimated cost of \$3,500,000, including financing and reserve costs, under the authority of K.S.A. 76-6a13 to 76-6a25, inclusive, as amended and supplemented (the act).

The resolution also authorizes the issuance and sale of system revenue bonds of the college in an amount of not to exceed \$3,500,000, such bonds to be used to pay the costs of the project, including financing and reserve costs. In the resolution, the board expressly reserved the right to determine, by subsequent resolution, the exact principal amount of revenue bonds to be issued for the project, provided that the board shall not issue bonds in excess of \$3,500,000 for such purposes unless the board gives further notice of such additional bonds, as provided by the act.

Unless an action to contest the legality of the proposed revenue bonds of the college shall be filed in a court of law within 30 days of the date of publication of this notice, the right to contest the legality of any revenue bonds issued in compliance with the aforesaid resolution and other proceedings duly and legally had and taken by the board prior to the date of publication of this notice, and the right to contest the validity of the provisions of such proceedings, shall cease to exist, and no court shall thereafter have the authority to inquire into such matters. After the expiration of said 30 days from the date of publication of this notice, no one shall have any right to commence an action contesting the validity of such revenue bonds or the provisions of such proceedings of the board, all such revenue bonds shall be conclusively presumed to be legal, and no court shall thereafter have the authority to inquire into such matters.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. The City of Wellington has applied for an air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to Wellington Municipal Power Plant. Emissions of oxides of nitrogen (NOx), sulfur dioxide (SO₂), carbon monoxide (CO), volatile organic compounds (VOCs) and particulate matter (PM) were evaluated during the permit review process.

The City of Wellington owns and operates the stationary source located at Section 15, Township 32 South, Range 1 West, Wellington, Sumner County, at which two electric generating engines are to be installed.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during review of the permit application is available for public inspection for a period of 30 days from the date of publication during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and a copy of the proposed permit can be reviewed at the KDHE South Central District Office, 130 S. Market, Suite 6050, Wichita. To obtain or review the proposed permit and supporting documentation, contact Rick Bolting, (785) 296-1576, at the KDHE central office; and to review the proposed permit only, contact David Butler, (316) 337-6020, at the KDHE South Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Rick Bolting, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business January 19.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Donna Reno, Bureau of Air and Radiation, not later than the close of business January 19 in order for the Secretary of Health and Environment to consider the request.

**Department of Health
and Environment****Request for Comments**

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Northern Natural Gas Company has applied for a Class I operating permit in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Northern Natural Gas Company, Omaha, Nebraska, owns and operates Bushton Natural Gas Compressor Station located at Section 6, Township 18 South, Range 9 West, Rice County.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for a 30-day public review during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the KDHE North Central District Office, 2501 Market Place, Suite D, Salina. To obtain or review the proposed permit and supporting documentation, contact Tibisay Marin, (785) 296-4875, at the KDHE central office; or Craig Forsberg, (785) 827-9639, at the KDHE North Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Tibisay Marin, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received by the close of business January 19.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Connie Carreno, Bureau of Air and Radiation, not later than the close of business January 19 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA 45-day review period. If the EPA waives its 45-day review period, the 60-day public petition period will start directly after the 30-day public comment period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was im-

practicable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Gary Schlicht, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7097, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

The existing retention structure serving the north freestall unit was constructed without prior approval and the permittee is working with the Natural Resources Conservation Service to upgrade the concrete manure pit and retention structure serving this area to minimum standards and to provide for a controlled manure stockpile area. A minimum of 150 feet of brome grass buffer will be planted down gradient of the east and south pens for runoff control within six months of the effective date of the permit. Construction/modifications to the lagoon, concrete pit and manure stockpile area are planned in the year 2005.

Permeability tests shall be conducted on the earthen wastewater retention structure(s). Permeability tests shall be completed after the soil liner(s) have been compacted and prior to placing the earthen wastewater retention structure(s) into service.

Wastewater will be impounded for subsequent application to agricultural land for beneficial use. Wastewater storage capacity is provided that meets or exceeds KDHE minimum requirements. The manure/waste management plan developed by the designer and approved by the department shall be adhered to as a condition of the permit.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

Summary Notice of Bond Sale
City of Chapman, Kansas
\$155,000
General Obligation Bonds, Series 2004A
(General obligation bonds payable from
unlimited ad valorem taxes)

Bond Sale Particulars

Subject to the terms and conditions of the complete official notice of bond sale dated December 18, 2003, of the City of Chapman, Kansas, in connection with the issuance of the city's General Obligation Bonds, Series 2004A, as hereinafter described, sealed, written bids will be received at the office of the city clerk at the Chapman City Hall, 402 Marshall, Chapman, KS 67431, until 5 p.m. Thursday, January 8, 2004, for the purchase of the bonds. All bids will be publicly opened, read aloud and tabulated on said date and at said time and will thereafter be considered and acted upon by the governing body of the city at its meeting to be held in the Chapman City Hall at 7 p.m. that day.

No oral or auction bids for the bonds will be considered, and no bids for less than the entire series of bonds will be considered.

Bids will be accepted only on the official bid form that has been prepared for the public bidding on these bonds, which may be obtained from the city clerk. Bids may be submitted by mail or delivered in person, and must be received at the place and not later than the date and time herein specified. Each bid must be accompanied by a good faith deposit in the form of a qualified financial surety bond or certified or cashier's check drawn on a bank located within the United States, each made payable to the order of the city and in an amount equal to 2 percent of the principal amount of the bonds.

Details of the Bonds

The aggregate principal amount of the bonds is \$155,000. The bonds will be dated as of January 15, 2004, and will be issued as fully registered bonds in the denomination of \$5,000. The bonds will bear interest, payable as hereinafter set forth, at the rates specified by the successful bidder for the bonds. Interest on the bonds will be payable semiannually each year, commencing April 1, 2004, and the bonds will mature serially on October 1 in each of the years and principal amounts as follows:

Principal Amount	Maturity Date
\$ 5,000	2004

15,000	2006
15,000	2007
15,000	2008

15,000	2009
15,000	2010
20,000	2011
20,000	2012
20,000	2013

Payment of Principal and Interest

The Kansas State Treasurer will serve as the bond registrar and paying agent for the bonds, and the principal of the bonds will be payable upon surrender at the paying agent's principal office in the City of Topeka, Kansas. Interest will be paid by the mailing of a check or draft of the paying agent to the registered owners of the bonds.

Security for the Bonds

The bonds and the interest thereon will constitute general obligations of the city, and the full faith, credit and resources of the city will be pledged to the payment thereof. The city is obligated to levy ad valorem taxes without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city for the purpose of paying the bonds and the interest thereon.

Delivery of the Bonds

The issuer will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about January 21, 2004, to such bank or trust company in the contiguous United States as may be specified by the successful bidder, or elsewhere at the expense of the successful bidder.

Legal Opinion

The bonds will be sold subject to the legal opinion of Jonathan P. Small, Chartered, Topeka, Kansas, bond counsel, whose fees will be paid by the city. Bond counsel's approving legal opinion as to the validity of the bonds will be printed on the bonds and delivered to the successful bidder upon delivery of the bonds.

Financial Matters

The city's 2003 equalized assessed tangible valuation for computation of bonded debt limitations is \$3,797,308. The city's total outstanding general obligation bonded indebtedness as of the date hereof totals the principal amount of \$45,000, which does not include the bonds described herein.

Additional Information

For additional information regarding the city, the bonds and the public sale, interested parties are invited to request copies of the complete official notice of bond sale, and the official bid form, all of which may be obtained from the city clerk at the address and telephone number shown below.

(C) verification of a minimum 2.50 cumulative grade point average; and

(D) documentation of the following:

(i) The local education agency has exhausted reasonable attempts to locate and hire a licensed person for the position which the applicant is to fill;

(ii) the local education agency will employ the applicant if the license is issued;

(iii) the local education agency will assign a licensed teacher with three or more years of experience to serve as a mentor for the applicant;

(iv) the local educational agency will provide, within the first six weeks of employment, a new teacher orientation or induction program for the applicant; and

(v) the local education agency has collaborated with a Kansas teacher education institution regarding the program the applicant will pursue to obtain full licensure, and it will provide accommodations to the applicant, including release time, in order to work with the mentor teacher and to complete coursework needed for full licensure; and

(E) a statement from the licensing officer of a Kansas teacher education institution attesting to the following:

(i) The applicant has on file a written plan that will qualify the applicant for full licensure in the content area for which the restricted certificate is sought;

(ii) the plan for program completion can be completed in not more than three years and contains a specific designation of the coursework that is to be completed each year;

(iii) the program provided to the applicant will meet the institution's approved professional education standards;

(iv) the institution will provide the applicant with on-site support at the employing local education agency, including supervision of the applicant's teaching experience; and

(v) the institution has collaborated with the employing local education agency concerning the applicant's program.

(2) Each local education agency that employs a person holding a restricted teaching license shall submit to the commissioner of education a progress report before July 1 of each year during the effective period of the restricted license. This progress report shall include the following:

(A) Verification that the applicant has attained passing scores on content assessment required by the state board of education by the end of the first year;

(B) verification from the chief administrative officer of the employing local education agency attesting to the following information:

(i) The applicant's contract will be renewed; and

(ii) the local education agency will continue to assign an experienced mentor teacher to the applicant and provide accommodations to the applicant to work with the mentor teacher and to complete the applicant's plan for full licensure;

(C) a statement from the licensing officer of the applicant's teacher education institution attesting to the following:

(i) The applicant has made appropriate progress toward completion of the applicant's plan to qualify for full licensure; and

(ii) the institution will continue to support the applicant, on-site, as necessary; and

(D) an official transcript verifying that the applicant has attained at least a 2.50 GPA in those courses specified in the applicant's plan for full licensure.

(3) Each applicant who is unable to provide any verification or statement required in paragraph (2) of this subsection shall no longer be eligible to hold a restricted teaching license and shall return any previously issued restricted teaching license to the state board.

(i) Restricted district leadership license.

(1) Each applicant for a restricted district leadership license shall submit to the state board the following:

(A) An application, with appropriate fees, for the restricted district leadership license;

(B) verification of three years of accredited teaching experience under an appropriate valid professional license or five years of related leadership experience;

(C) an official transcript verifying that the applicant holds a graduate degree;

(D) verification of a minimum 3.25 cumulative GPA in graduate coursework;

(E) verification from the chief administrative officer or the president of the board of education of an accredited or approved local education agency attesting to the following:

(i) The local education agency has exhausted reasonable attempts to locate and hire a licensed person for the position that the applicant is to fill;

- (ii) the local education agency will employ the candidate if the restricted district leadership license is issued;
 - (iii) the local education agency has collaborated with a Kansas teacher education institution regarding the candidate;
 - (iv) the local education agency has an agreement with an experienced district administrator holding a similar assignment to serve as a mentor for the candidate; and
 - (v) the local education agency will provide release time for the candidate to work with the administrator mentor and to work on progress toward program completion; and
- (F) verification from the licensing officer at a Kansas teacher education institution attesting to the following:
- (i) The institution will provide a program for the candidate that leads to the conditional license in district leadership that can be completed within a three-year time limit;
 - (ii) the applicant has on file a plan for program completion for the restricted district leadership license with a specific timeline detailing coursework to be completed successfully each year;
 - (iii) the institution will provide a program equivalent to the institution's approved program, but may choose to modify the delivery model;
 - (iv) the institution is collaborating with the school district providing employment; and
 - (v) the institution will provide the candidate with on-site support.
- (2) Each local education agency that employs a person holding a restricted district leadership license shall submit to the commissioner of education a progress report before July 1 of each year during the effective period of the restricted license. This progress report shall include the following:
- (A) Verification of completion of a school leadership assessment prescribed by the state board by the end of the second year;
 - (B) a statement from the chief administrative officer of the employing local education agency attesting to the following:
 - (i) The local education agency will offer an additional year of employment to the candidate; and
 - (ii) the local education agency will continue to assign a mentor and provide release time;
 - (C) verification from the licensing officer of the applicant's teacher education institution attesting to the following:
 - (i) Normal progress has been made by the candidate on the deficiency plan for the restricted district leadership license;
 - (ii) the candidate has maintained a 3.25 GPA on program courses; and
 - (iii) the institution will continue to provide the candidate with on-site support.
 - (j) Provisional teaching endorsement license.
- (1) Each applicant shall hold a currently valid conditional or professional license at any level and shall submit to the state board the following:
- (A) Verification of completion of at least 50 percent of an approved teacher education program in the requested endorsement field;

(B) a deficiency plan to complete the approved program requirements from the licensing officer of a teacher education institution;

(C) verification of employment and assignment to teach in the provisional endorsement area;

(D) an application for a provisional endorsement teaching license; and

(E) the licensure fee.

(2) Each applicant for a provisional teaching endorsement license for adaptive, functional, or gifted special education shall hold a currently valid conditional or professional license and shall submit to the state board the following:

(A) Verification of completion of coursework in the areas of methodology and the characteristics of exceptional children and special education, and completion of a practicum in the specific special education field;

(B) a deficiency plan to complete the approved program requirements for the licensing officer of a teacher education institution;

(C) verification of employment and the assignment to teach in the provisional endorsement area;

(D) an application for a provisional endorsement teaching license; and

(E) the licensure fee.

(k) Provisional school specialist endorsement license. Each applicant shall hold a currently valid professional license as described in S.B.R. 91-1-201 (a)(7) and shall submit to the state board the following:

(1) Verification of completion of 50 percent of an approved school specialist program;

(2) a deficiency plan for completion of the approved school specialist program from the licensing officer at a teacher education institution;

(3) verification of employment and assignment in the school specialty endorsement area for which licensure is sought;

(4) for a provisional school counselor endorsement license, verification from the employing local education agency that a person holding a professional school counselor specialist license will be assigned to supervise the applicant during the provisional licensure period;

(5) an application for a provisional school specialist license; and

(6) the licensure fee. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended July 1, 2003; amended Jan. 2, 2004.)

91-1-206. Professional development plans for license renewal. (a) Any person filing a professional development plan with a local professional development council for licensure renewal purposes under S.B.R. 91-1-205 (b) shall develop a plan that includes activities in one or more of the following areas:

(1) Content endorsement standards as adopted by the state board;

(2) professional education standards as adopted by the state board; or

(3) service to the profession.

(b) Each person who is employed by or who works or resides within any Kansas unified school district shall be

(continued)

eligible to file a professional development plan with that district's local professional development council for licensure renewal purposes.

(c) Each individual submitting a professional development plan shall ensure that the plan meets the following conditions:

(1) The plan results from cooperative planning with a designated supervisor.

(2) The plan is signed by the individual submitting the plan and by the individual's supervisor, if the supervisor agrees with the plan.

(3) The plan is reviewed and approved by the local professional development council.

(d) If a person is unable to attain approval of an individual development plan through a local professional development council, the person may appeal to the licensure review committee for a review of the proposed individual development plan. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective July 1, 2003; amended July 1, 2003; amended Jan. 2, 2004.)

91-1-213. Vocational-technical certificates. (a) Any individual may apply for a restricted vocational-technical certificate or a full vocational-technical certificate.

(b) Restricted vocational-technical certificate.

(1) Each restricted vocational-technical certificate shall be valid for three years from the date of issue and shall be valid for instruction in grades 9 through 12. The restricted vocational-technical certificate shall be nonrenewable.

(2) A restricted vocational-technical certificate shall be valid for instruction in approved vocational programs for trade and industry, personal and public service areas, health occupations, specialized occupational family and consumer science, and vocational special needs.

(c) Each applicant for a restricted vocational-technical certificate shall submit the following to the state board:

(1) Verification that a local education agency will employ the applicant in an approved vocational program if the certificate is issued;

(2) verification of at least 4,000 hours of occupational work experience in the content area in which the certificate is sought;

(3) documentation of the following:

(A) Successful completion of a recognized competency exam or an appropriate occupational license by the end of the first year of instruction, if instructing in approved vocational programs for trade and industry, personal and public service areas, or health occupations;

(B) a written plan to qualify for full certification during the term of the restricted vocational-technical certificate. The plan shall be based upon completion of the requirements of a training program for a full vocational-technical certificate;

(C) verification from the employing local education agency that it has assigned a certified or licensed teacher with at least three years of experience to serve as a mentor for the applicant; and

(D) verification of completion, within the first six weeks of employment, of a new teacher orientation or induction program that addressed, at a minimum, lesson

plan development, teaching methodologies, student assessment, and classroom management;

(4) an application for a restricted vocational-technical certificate; and

(5) the certificate fee.

(d) To qualify for a full vocational-technical certificate, each individual holding a restricted vocational-technical certificate shall meet the requirements for a full vocational-technical certificate during the three years that the restricted certificate is valid.

(e) Full vocational-technical certificate.

(1) Each full vocational-technical certificate shall be valid for five years from the date of issuance and shall be valid for instruction in grades 9 through 12.

(2) A full vocational-technical certificate shall be valid for instruction in approved vocational programs for trade and industry, personal and public service areas, health occupations, specialized occupational family and consumer science, and vocational special needs.

(3) Each applicant for a full vocational-technical certificate shall submit the following to the state board:

(A) An application for a full vocational-technical certificate and the appropriate fee;

(B) documentation of successful completion of the training program for vocational-technical certification;

(C) verification of successful completion of two years of teaching experience in an approved vocational-technical program; and

(D) verification of attendance at three or more professional conferences related to the content area within the three-year period immediately before the date of application.

(f) Each applicant for a full vocational-technical certificate shall have successfully completed a training program of at least 18 semester credit hours or the equivalent professional development points approved through a local professional development council. The training program shall provide instruction in the following areas:

(1) Foundations of vocational-technical education and its impact on the content specialty, including the importance of vocational-technical education in today's society;

(2) development and use of curricula within the vocational or technical program, including the ability to adapt and modify curricula to provide developmentally appropriate experiences for all students;

(3) instruction of students with special needs;

(4) importance of workplace experience and integration of supervised experience into the curriculum;

(5) school improvement process;

(6) classroom management techniques;

(7) development of effective teaching methods, including the use of instructional strategies that encourage development of cognitive skills, including decision making, critical thinking, and problem solving with regard to vocational-technical issues and problems;

(8) utilization of technology as an instructional tool within the program area; and

(9) utilization of authentic assessment techniques.

(g) Any person may renew a full vocational-technical certificate by submitting the following to the state board:

(1) An application for renewal and the required fee; and

(2) (A) Verification that the person, within the term of the full vocational-technical certificate, has earned a minimum of 160 professional development points under an approved individual development plan filed with a local professional development council. The individual development plan shall include attendance at professional conferences in the vocational-technical field; or

(B) if the applicant holds an advanced degree, verification that the person, within the term of the full vocational-technical certificate, has earned a minimum of 120 professional development points under an approved individual development plan filed with a local professional development council. The individual development plan shall include attendance at professional conferences in the vocational-technical field. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Sept. 13, 2002; amended Jan. 2, 2004.)

Article 29.—SOLID WASTE MANAGEMENT

28-29-300. Definitions. (a) For the purposes of K.A.R. 28-29-300 through K.A.R. 28-29-325, the following definitions shall apply:

(1) "C&D" means construction and demolition.

(2) "C&D contact water" means liquid, consisting primarily of precipitation, that has infiltrated through the C&D waste or has been in contact with the C&D waste for any period of time. This term shall include all runoff from the active area of the C&D landfill and all liquid derived from the C&D waste.

(3) "C&D landfill" shall have the meaning assigned to "construction and demolition landfill" in K.S.A. 65-3402, and amendments thereto.

(4) "C&D waste" shall have the meaning assigned to "construction and demolition waste" in K.S.A. 65-3402, and amendments thereto. For the purposes of this definition, the following clarifications shall apply:

(A) "Furniture and appliances" shall not include computer monitors and other computer components, televisions, videocassette recorders, stereos, and similar waste electronics.

(B) "Treated wood" shall include wood treated with any of the following:

(i) Creosote;

(ii) oil-borne preservatives, including pentachlorophenol and copper naphthenate;

(iii) waterborne preservatives, including chromated copper arsenate (CCA), ammoniacal copper zinc arsenate (ACZA), and ammoniacal copper quaternary compound (ACQ); or

(iv) any other chemical that poses risks to human health and the environment that are similar to the risks posed by the chemicals specified in paragraphs (a)(4)(B)(i) through (iii) of this subsection.

(C) "Untreated wood" shall include the following, if the wood has not been treated with any of the chemicals listed in paragraphs (a)(4)(B)(i) through (iv) of this regulation:

(i) Coated wood, including wood that has been painted, stained, or varnished; and

(ii) engineered wood, including plywood, laminated wood, oriented-strand board, and particle board.

(5) "Hazardous waste" means material determined to be hazardous waste as specified in K.A.R. 28-31-4.

(6) "Household hazardous waste" shall have the meaning specified in K.A.R. 28-29-1100.

(7) "Non-C&D waste" means all solid waste that is not specifically defined as construction and demolition waste in K.S.A. 65-3402, and amendments thereto. Non-C&D waste shall include hazardous waste and household hazardous waste.

(b) If a requirement in K.A.R. 28-29-300 through K.A.R. 28-29-325 conflicts with a requirement of K.A.R. 28-29-12 or K.A.R. 28-29-23, the requirement in K.A.R. 28-29-300 through K.A.R. 28-29-325 shall control.

This regulation shall take effect 90 days after publication in the Kansas register. (Authorized by and implementing K.S.A. 65-3406; effective March 17, 2004.)

28-29-302. Construction and demolition (C&D) landfill location restrictions. This regulation shall apply to each new C&D landfill and to each expansion of an existing C&D landfill that requires a permit modification.

(a) Definitions. For the purposes of this regulation, the following definitions shall apply:

(1) "Application" shall mean a permit application for a new C&D landfill or a permit modification application for the expansion of an existing C&D landfill.

(2) "New C&D unit" shall mean a new C&D landfill or the expansion of an existing C&D landfill.

(b) Floodplains.

(1) Each new C&D unit shall be located outside the 100-year floodplain, unless the applicant submits, as part of the application, one of the following:

(A) Justification that the location of the new C&D unit will not cause any of the following:

(i) Restriction of the flow of the 100-year flood;

(ii) reduction of the temporary water storage capacity of the floodplain; or

(iii) washout of the C&D waste; or

(B) a statement from the U.S. army corps of engineers, if the site is under its jurisdiction, and a statement from the Kansas department of agriculture, division of water resources, indicating that neither of the following, if likely to occur as a result of the location of the new C&D unit, will adversely affect public health, safety, or the environment:

(i) Restriction of the 100-year flood; and

(ii) reduction of the temporary water storage capacity of the floodplain.

(2) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D

(continued)

unit with respect to the floodplain from the following agencies:

- (A) The U.S. army corps of engineers; and
- (B) the Kansas department of agriculture, division of water resources.

(c) Protection of threatened or endangered species.

(1) For the purposes of this subsection, the following definitions shall apply:

(A) "Destruction or adverse modification" means a direct or indirect alteration of critical habitat that appreciably diminishes the likelihood of the survival and recovery of threatened or endangered species using that habitat.

(B) "Endangered species" means any species listed as such pursuant to the endangered species act, as referenced in K.S.A. 32-958, and amendments thereto.

(C) "Taking" means harassing, harming, pursuing, hunting, wounding, killing, trapping, capturing, or collecting, or attempting to engage in such conduct.

(D) "Threatened species" means any species listed as such pursuant to the endangered species act, as referenced in K.S.A. 32-958, and amendments thereto.

(2) Each new C&D unit shall be located to meet both of the following requirements:

(A) The new C&D unit shall not cause or contribute to the taking of any endangered or threatened species.

(B) The new C&D unit shall not result in the destruction or adverse modification of the critical habitat of endangered or threatened species.

(3) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to threatened or endangered species from the following agencies:

- (A) The U.S. fish and wildlife service;
 - (B) the Kansas department of wildlife and parks; and
 - (C) the Kansas biological survey.
- (d) Surface waters.

(1) For purposes of this subsection, "surface waters" shall have the meaning specified in K.A.R. 28-16-28b.

(2) A new C&D unit shall not be located in any surface waters.

(3) A new C&D unit shall not cause or contribute to significant degradation of surface waters. As part of the application, the applicant shall provide the following information:

(A) Identification of all surface waters within one-half mile of the property boundary;

(B) the erosion, stability, and migration potential of materials used to construct the new C&D unit;

(C) the volume and characteristics of the waste to be managed in the new C&D unit;

(D) the impact on fish, wildlife, and other aquatic resources and their habitat from the release of C&D waste or C&D contact water;

(E) the potential effects of a catastrophic release of C&D waste or C&D contact water to the surface water and the resulting impact on the environment; and

(F) any additional information relative to the site that concerns the protection of ecological resources in surface waters.

(4) As part of the application, the applicant shall provide information verifying that the total area of wetlands,

as defined by acreage and function, will be preserved by one or more of the following practices:

(A) Avoiding impact on the wetlands to the maximum extent practicable;

(B) minimizing impact on the wetlands to the maximum extent practicable; and

(C) offsetting unavoidable wetland impact through all appropriate and practicable compensatory mitigation actions, including the restoration of existing degraded wetlands or creation of man-made wetlands.

(5) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to surface waters from the following agencies:

- (A) The U.S. army corps of engineers;
 - (B) the U.S. fish and wildlife service;
 - (C) the Kansas department of agriculture, division of water resources;
 - (D) the Kansas department of wildlife and parks; and
 - (E) the Kansas biological survey.
- (e) Buffer zones.

(1) Each new C&D unit shall be located at least 500 feet from each dwelling, school, or hospital that was occupied on the date when the department first received the application, unless the owner of the dwelling, school, or hospital consents in writing to the siting of the C&D unit less than 500 feet from the dwelling, school, or hospital.

(2) Each new C&D unit shall be located a minimum of 150 feet from the property line.

(3) The applicant may petition the secretary for a reduction of the buffer zone distances, if the county commission of the county in which the landfill is located approves the request.

(4) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to buffer zones from the following agencies:

- (A) The Kansas state conservation commission;
 - (B) the Kansas corporation commission; and
 - (C) the Kansas water office.
- (f) Navigable streams and public drinking water supplies.

(1) Each new C&D unit shall be located according to the requirements of K.S.A. 65-3407, and amendments thereto.

(2) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to public drinking water supplies from the department's bureau of water.

(g) Vertical separation from groundwater.

(1) At each new C&D unit, there shall be a minimum vertical separation of five feet from the lowest point of the unit to the highest predicted groundwater elevation, based on historical data or site conditions, in the uppermost aquifer underlying the disposal area. The minimum vertical separation shall be provided by naturally occurring, in-situ soil or geologic material, or alternative material that ensures the protection of public health, safety, and the environment.

(2) As part of the application, the applicant shall submit one of the following:

(A) On-site groundwater elevations and a prediction, based on historical data or site conditions, of the highest groundwater elevation in the uppermost aquifer underlying the disposal area; or

(B) other evidence that the highest groundwater elevation in the vicinity is five feet or more from the lowest point of the C&D landfill.

(h) Unstable areas.

(1) For purposes of this subsection, the following definitions shall apply:

(A) "Areas susceptible to mass movement" means those areas of influence, including areas characterized as having active, or a substantial possibility of, mass movement, where the movement of earth material at, beneath, or adjacent to the C&D landfill, because of natural or human-induced events, results in the downslope transport of soil and rock material by means of gravitational influence. Mass movement shall include the following:

- (i) Landslides;
- (ii) avalanches;
- (iii) debris slides and flows;
- (iv) solifluction;
- (v) block sliding; and
- (vi) rock falls.

(B) "Karst terrain" means an area where karst topography, with its characteristic surface and subterranean features, is developed as the result of dissolution of limestone, dolomite, or other soluble rock. The physiographic features characteristic of karst terrains may include the following:

- (i) Sinkholes;
- (ii) sinking streams;
- (iii) caves;
- (iv) large springs; and
- (v) blind valleys.

(C) "Poor foundation areas" means those areas where features exist that indicate that a natural or human-induced event could result in inadequate foundation support for the structural components of a C&D landfill.

(D) "Structural components" means liners, leachate collection systems, final covers, run-on systems, runoff systems, and any other component used in the construction and operation of the C&D landfill that is necessary for protection of public health, safety, and the environment.

(E) "Unstable area" means a location that is susceptible to natural or human-induced events or forces capable of impairing the integrity of some or all of the C&D landfill structural components used to prevent releases from a landfill. This term shall include poor foundation areas, areas susceptible to mass movements, and karst terrains.

(2) As part of the application, the applicant for each C&D landfill shall submit an assessment of the stability of the area and shall consider the following factors when determining whether or not an area is unstable:

(A) On-site or local conditions that could result in significant differential settling;

(B) on-site or local geologic or geomorphologic features; and

(C) on-site or local human-made features or events, both surface and subsurface.

(3) As part of the application, the applicant for each C&D landfill proposed to be located in an unstable area shall provide information verifying that engineering measures have been incorporated into the C&D landfill's design to ensure that the integrity of the structural components of the C&D landfill will not be compromised.

(4) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to stability from the Kansas geological survey.

(i) Cultural resources.

(1) Each new C&D unit shall be located so that the unit does not pose a threat of harm or destruction to the essential features of an irreplaceable historic or archaeological site that is listed on the Kansas state register of historic sites, pursuant to K.S.A. 75-2721 and amendments thereto.

(2) As part of the application, the applicant shall submit an approval or exemption for the siting of the new C&D unit with respect to cultural resources from the Kansas state historical society.

(j) Waivers. The requirement to submit a specific approval, exemption, or demonstration as part of the permit application may be waived by the secretary.

This regulation shall take effect 90 days after publication in the Kansas register. (Authorized by and implementing K.S.A. 65-3406; effective March 17, 2004.)

28-29-304. Construction and demolition (C&D) landfill design. The design requirements of this regulation shall apply to all C&D landfills.

(a) Facility access. The owner or operator of each C&D landfill shall provide fencing or other barriers, with one or more gates that can be locked to restrict access to the C&D landfill when the C&D landfill is not open for business.

(b) Facility signage. The owner or operator of each C&D landfill shall post permanent signage at the facility.

(1) The following information shall be posted at the entrance to the facility:

- (A) The name of the facility;
- (B) the landfill permit number;
- (C) the facility's telephone number, if there is one;
- (D) the emergency telephone number; and
- (E) a statement indicating who may bring waste to the landfill for disposal and, if appropriate, the hours of operation.

(2) Information concerning the types of waste that are accepted or not accepted for disposal or recycling shall be posted at the facility's entrance or at a location prominently visible to the public inside the facility's boundaries.

(c) Facility roads.

(1) The owner or operator of each C&D landfill shall design and construct on-site roads to accommodate expected traffic flow in a safe and efficient manner.

(2) On-site facility roads shall be of all weather construction and shall be negotiable at all times.

(3) Load limits on bridges and on-site roads shall be sufficient to support all traffic loads generated by the use of the facility.

(continued)

(d) Storm water control. The owner or operator of each C&D landfill shall design and construct a storm water control system.

(1) The storm water control system shall prevent flow onto the active area of the landfill of discharge resulting from the 25-year, 24-hour storm and lesser storms.

(2) The system shall consist of trenches, conduits, berms, and proper grading, as needed.

(3) The system shall control erosion of cover materials.

(4) Storm water discharge from the permitted property shall be reduced to predevelopment discharge rates and nonerosive velocities.

(e) C&D contact water control and management. The owner or operator of each C&D landfill shall design and construct C&D contact water control and management systems that meet the following requirements:

(1) The C&D contact water control system shall control storm water runoff from the active area of the C&D landfill.

(2) The C&D contact water management system shall meet one or more of the following requirements:

(A) Storage of C&D contact water.

(i) C&D contact water shall be stored in the permitted C&D waste disposal units, or in structures or ponds on the permitted C&D waste disposal site.

(ii) The storage system shall have provisions for overflow.

(iii) The storage system may be designed to allow percolation of C&D contact water through subsurface soils.

(B) On-site treatment of C&D contact water. The treatment system shall produce water of a quality adequate for the intended use or method of disposal.

(C) Beneficial reuse of C&D contact water on the permitted C&D waste disposal site. Beneficial reuse may include the following:

(i) Wetting of on-site roads or other site areas for dust control;

(ii) irrigation of vegetated areas, not including agricultural crops intended for human or animal consumption;

(iii) distribution on C&D waste, as necessary, for fire protection; or

(iv) other uses that do not adversely impact public health, safety, and the environment.

(D) Discharge or hauling of C&D contact water to an off-site treatment facility.

(i) The operator of each C&D landfill may discharge or haul C&D contact water to the off-site treatment facility only with written permission from the owner or operator of the off-site treatment facility. As part of the permit application or permit modification application, the applicant or permittee shall submit a copy of the written permission.

(ii) The off-site treatment facility shall have all required permits and approvals required for proper treatment of the C&D contact water. As part of the permit application or permit modification application, the applicant or permittee shall submit a copy of all required permits and approvals.

(iii) Discharge of C&D contact water to the off-site treatment facility shall conform with K.A.R. 28-16-1 through K.A.R. 28-16-7.

(E) Discharge of C&D contact water to surface waters. The applicant or permittee shall be required to obtain a national pollutant discharge elimination system (NPDES) permit from the secretary.

(F) Discharge of C&D contact water to deep injection wells. The applicant or permittee shall be required to obtain a permit from the secretary for installation and operation of deep injection wells.

(3) The C&D contact water control and management system shall meet the following requirements:

(A) Operate for the entire design period, including the active operating and closure phases of the C&D landfill;

(B) allow for the management of C&D contact water during routine maintenance and repairs;

(C) have the capacity to handle the water generated from a 25-year, 24-hour storm and lesser storms;

(D) operate via gravity flow whenever possible; and

(E) be chemically resistant to the contact water expected to be produced.

(f) Phasing of landfill development. The owner or operator of each C&D landfill shall develop the landfill in phases, according to the operating plan.

(1) The phasing plan shall provide for the sequential construction, filling, and closure of discrete units or parts of units.

(2) In determining the size of each phase, the owner or operator shall consider seasonal differences in weather and the amount of C&D waste received.

(3) Each phase shall be completed by covering all exposed waste with intermediate cover.

(A) The intermediate cover shall consist of a minimum of one foot of soil and shall meet the following requirements:

(i) Limit air intrusion to control the risk of fire;

(ii) control litter; and

(iii) limit vector harborage.

(B) Alternative material, if approved by the secretary, may be used for intermediate cover. The alternative material shall consist of material acceptable for disposal in the C&D landfill and shall meet the requirements specified in paragraphs (f)(3)(A)(i) through (f)(3)(A)(iii) of this regulation.

(g) Final cover. Within six months after the last placement of waste in the unit, the owner or operator shall construct a final cover in accordance with the approved facility closure plan.

(1) The final cover shall include the following:

(A) A low-permeability layer consisting of a minimum of 18 inches of compacted soil having permeability equal to or less than the natural subsoils or the constructed liner, and no greater than 1×10^{-5} centimeters per second; and

(B) a protective soil layer consisting of a minimum of 12 inches of topsoil and appropriate vegetative cover.

(2) The final cover shall be graded with a minimum slope of two percent and a maximum slope of 3:1, horizontal to vertical.

This regulation shall take effect 90 days after publication in the Kansas register. (Authorized by and implementing K.S.A. 65-3406; effective March 17, 2004.)

28-29-308. Construction and demolition (C&D) landfill operations. The owner or operator of each C&D landfill shall comply with the following requirements.

(a) Aesthetics. The operator shall control odors and particulates, including dust and litter, by the application of cover material, sight screening, or other means to prevent a nuisance or damage to human health or the environment.

(b) Air quality. The owner or operator shall conform to all applicable provisions of K.S.A. 65-3001 et seq., and amendments thereto, and all regulations adopted under those statutes.

(c) Fire protection.

(1) The owner or operator shall make arrangements for fire protection services if a fire protection district or other public fire protection service is available. If this service is not available, the owner or operator shall provide practical alternate arrangements.

(2) If there is a fire at the site, the operator shall perform all of the following:

(A) Initiate and continue the use of appropriate fire fighting methods until all smoldering, smoking, and burning cease;

(B) notify the department within one business day and submit a written report to the department within one week; and

(C) upon completion of fire fighting activities, cover and regrade each disruption of finished grades, covered surfaces, or completed surfaces.

(d) Water management.

(1) The owner or operator shall construct and maintain the storm water control systems according to the approved design and operating plans.

(2) The owner or operator shall manage all storm water that becomes commingled with C&D contact water as C&D contact water.

(3) The owner or operator shall manage all C&D contact water according to the approved design and operating plans. If the contact water control and management system fails, the owner or operator shall notify the department by the end of the next business day.

(4) The owner or operator shall not cause a discharge of pollutants into the waters of the state. If such a discharge occurs, the owner or operator shall immediately notify the department, as specified in K.A.R. 28-48-2.

(e) Access control.

(1) Access to each C&D landfill shall be limited to the hours when the owner or operator is at the site.

(2) The owner or operator shall keep all access-control gates locked when the owner or operator is not at the landfill.

(3) Access by unauthorized vehicles and pedestrians shall be prohibited.

(f) Waste screening. The owner or operator shall implement the waste screening program designated in the operating plan.

(1) The operator shall accept for disposal only "construction and demolition waste," as defined in K.S.A. 65-3402, and amendments thereto.

(2) The operator shall not accept for disposal any "liquid waste," as defined in K.A.R. 28-29-108.

(3) The operator may refuse to accept any material that has not been removed from the delivery vehicle. The operator may return non-C&D waste that has been removed from the delivery vehicle to the hauler. The operator shall

document the refusal or return by recording the following information:

(A) The date and time of the refusal or return;

(B) the driver's name;

(C) the delivery vehicle's license plate number;

(D) the hauling company's name and address;

(E) the origin of the waste;

(F) the size of the rejected load or amount of returned waste;

(G) the reason for rejection or return; and

(H) the name of the person who inspected the waste.

(4) The operator shall remove from the landfill all non-C&D waste that has not been returned to the hauler, for disposal at a site permitted to accept the non-C&D waste. The operator shall store all non-C&D waste in a manner that does not result in a nuisance or environmental hazard.

(5) If a regulated hazardous waste, regulated polychlorinated biphenol (PCB) waste, or medical waste is brought to the facility, the owner or operator shall notify the department within one business day and shall meet the following requirements:

(A) The notification requirement shall apply to waste that has been accepted at the facility and waste that has been rejected.

(B) The notification shall include the type, amount, and source of the waste.

(C) The waste shall be managed in accordance with the hazardous waste, PCB, or medical waste regulations, as appropriate.

(6) The operator shall keep a record of each day that waste is screened at the landfill.

(7) The waste screening area shall be clearly delineated using flags, signs, or markers, and shall have an area compatible with the average daily volume of waste, as approved in the operating plan.

(8) The waste screening area shall be cleared of waste no more than 24 hours after the waste has been deposited.

(9) The operating plan may specify that waste screening may take place at the point of generation rather than at the landfill.

(g) Waste placement.

(1) At least once each day that waste has been received, the operator shall dispose of the C&D waste using the following method:

(A) Screen the waste at a location other than directly on the working face; and

(B) distribute the waste uniformly on the working face.

(2) The operator shall place the waste in a manner and at a rate that provide mass stability during all phases of operation.

(h) Waste compaction.

(1) The operator shall compact the waste daily, unless an alternate schedule has been designated in the operating plan.

(2) The operator shall compact the waste as densely as is practical.

(A) The degree of compaction may vary depending on the waste type, lift thickness, placement method, and equipment used.

(continued)

(B) The method of compaction shall include at least two passes of compaction equipment over the waste at the time it is placed on the working face or, at a minimum, by the end of the day that the waste is placed on the working face.

(i) Record of waste disposed. The operator shall record and maintain the following information for each load of C&D waste placed in the landfill:

- (1) The tons or volume of C&D waste;
- (2) the state in which the waste was generated; and
- (3) if the waste is exempt from the state solid waste tonnage fee, as specified in K.S.A. 65-3415b and amendments thereto, the reason for the exemption.

(j) Record of waste recycled. The operator shall record and maintain the following information for all waste diverted by the landfill for recycling:

- (1) The type of waste, if any waste other than C&D waste is diverted for recycling;
- (2) the number of tons or the volume of each type of waste;
- (3) the state in which the waste was generated; and
- (4) the name and address of the facility to which the waste was sent for recycling.

(k) Cover requirements.

(1) The operator shall apply cover material over every 2,000 tons of waste disposed, with the following exceptions:

- (A) Cover shall be applied at least once every 120 days.
- (B) No facility shall be required under these regulations to apply cover more often than once a week.
- (2) The cover shall consist of a minimum of one foot of soil and shall meet the following requirements:
 - (A) Limit air intrusion to control the risk of fire;
 - (B) control litter; and
 - (C) limit vector harborage.

(3) Alternative material, if approved by the secretary, may be used for cover. The alternative material shall consist of material acceptable for disposal in the C&D landfill and shall meet the requirements specified in paragraphs (k)(2)(A) through (k)(2)(C) of this regulation.

(4) The operator of the facility shall maintain a log of the dates on which cover is applied.

(l) Salvaging.

(1) The operator shall permit salvaging or reclamation of materials only if working space specifically designed for salvaging C&D wastes is provided.

(2) The salvage operation and salvaged materials shall be controlled to prevent interference with the prompt disposal of C&D wastes.

(3) All salvage operations shall be conducted in a manner that does not create a nuisance.

(m) Scavenging. The operator shall not permit any scavenging at the C&D landfill.

(n) Communication. The owner or operator shall provide two-way communications accessible to the operator working at the disposal unit.

(o) Safety. The owner or operator shall provide an operational safety program for each employee at the C&D landfill.

(p) Recordkeeping.

(1) Long-term retention of permits and plans. The owner or operator shall retain all documents concerning

the landfill permit and landfill construction for a minimum of five years after the completion of the postclosure care period. The documents shall be stored in a location designated in the facility operations plan and shall be readily accessible to the department. The documents concerning the landfill permit and landfill construction shall include the following:

(A) The permit application and all supporting documents;

(B) all renewal documents;

(C) the construction quality assurance (CQA) plans and reports;

(D) additional information as required by the conditions of the permit; and

(E) the following documents, which shall be stored at the facility while the facility is active:

(i) The current permit;

(ii) the permit conditions;

(iii) the design plans;

(iv) the operations plan;

(v) a contingency plan;

(vi) the closure plan; and

(vii) the postclosure plan.

(2) Short-term retention of operating records. The owner or operator shall retain all documents concerning operations at the landfill for a minimum of five years after the event occurs. The documents shall be stored at the facility, or at another site designated in the operating plan, and shall be readily accessible to the department. The documents concerning operations at the landfill shall include the following:

(A) The waste screening records;

(B) the records of refused and returned waste;

(C) the records of all waste disposed of, whether on-site or offsite;

(D) the records of waste recycled;

(E) employee training records;

(F) gas monitoring results, if applicable;

(G) groundwater monitoring results, if applicable;

(H) documentation of postclosure inspections; and

(I) additional information as required by the conditions of the permit.

(q) Reporting. The owner or operator shall report the following information to the department on forms provided by the department:

(1) Disposal information, including the following:

(A) The number of tons or the volume of the C&D waste; and

(B) the state in which the C&D waste was generated;

(2) recycling information, including all of the following:

(A) The type of waste, if any waste other than C&D waste was diverted for recycling;

(B) the number of tons or the volume of each type of waste;

(C) the state in which the waste was generated; and

(D) the name and address of the facility to which the waste was sent for recycling;

(3) information required for permit renewal; and

(4) additional information as required by the conditions of the permit.

This regulation shall take effect 90 days after publication in the Kansas register. (Authorized by and implementing K.S.A. 65-3406; effective March 17, 2004.)

28-29-321. Construction and demolition (C&D) landfill closure and postclosure care. This regulation shall apply to each C&D landfill that closes after the effective date of this regulation.

(a) Notification of closure. The owner or operator of each C&D landfill shall notify the department, in writing, at least 60 days before each of the following events:

- (1) The closure of each disposal unit at the landfill; and
- (2) the final closure of the C&D landfill.

(b) Closure activities.

(1) The owner or operator of each C&D landfill shall close the landfill according to the approved closure plan and shall install the final cover within six months of the last receipt of waste at the landfill.

(2) The owner or operator shall notify the secretary when closure activities have been completed and shall arrange for a closure inspection by the secretary.

(c) Postclosure care. After the secretary approves the closure of the C&D landfill, the owner or operator shall conduct postclosure care for 30 years.

(1) During the postclosure care period, the owner or operator shall perform and document annual inspection and maintenance of the cover to ensure the integrity and effectiveness of the final cover, including the following:

(A) Making repairs to the cover as necessary to correct the effects of settlement, subsidence, erosion, and other events; and

(B) preventing run-on and runoff from eroding or otherwise damaging the final cover.

(2) After five years of inspections, the owner or operator may submit a request to the secretary for a less frequent inspection schedule.

(d) Certification. Following completion of the postclosure care period for the C&D landfill, the owner or operator shall submit a certification to the secretary. The certification shall be signed by a professional engineer licensed in Kansas and shall verify that the postclosure care requirements have been fulfilled in accordance with the postclosure plan.

(e) Lengthened postclosure care period. The length of the postclosure care period may be increased if the secretary determines that the lengthened period is necessary to protect public health, safety, and the environment.

This regulation shall take effect 90 days after publication in the Kansas register. (Authorized by and implementing K.S.A. 65-3406; effective March 17, 2004.)

28-29-325. Construction and demolition (C&D) landfill permits. (a) Permit application. Each person that plans to establish a C&D landfill shall submit a permit application to the secretary on forms furnished by the department. The permit application shall include the following items:

(1) Design plans. The C&D landfill design plan shall include the following items:

(A) A plan showing the section, township, range, and site boundaries;

(B) a description of all adjacent properties, including the land use and the names and addresses of property owners. If the proposed site is adjacent to a public road or street, the property across the street or road shall also be described;

(C) a topographic map of the existing site with a contour interval of two feet or less;

(D) a minimum of three cross sections of the proposed C&D waste disposal units, with the water table shown;

(E) a plan showing the following information:

(i) The size and location of all pertinent human-made and natural features of the site, including roads, fire lanes, ditches, berms, culverts, structures, wetlands, floodways, and surface waters;

(ii) the projected site utilization with all site structures, including buildings, fences, gates, entrances and exits, parking areas, on-site roadways, and signs; and

(iii) the location of all water supplies;

(F) a series of phasing plans showing landfill development over the life of the landfill. Each plan shall indicate the location of all peripheral features, including support buildings, access roads, drainage ditches, sedimentation basins, all other storm water management features, and screening berms;

(G) an erosion control plan outlining management practices to control erosion from disturbed areas;

(H) a storm water control plan that includes an implementation schedule and copies of the notice of intent submitted to the department's bureau of water;

(I) a C&D contact water management plan that includes an implementation schedule; and

(J) if the landfill is located in an unstable area according to the criteria specified in K.A.R. 28-29-302, a description of the engineering measures incorporated into the landfill's design to ensure that the integrity of the structural components of the C&D landfill will not be disrupted.

(2) Maps. The applicant shall submit the following maps:

(A) A 7.5-minute series map of the area, as typically available from the U.S. geological survey, indicating the property boundary;

(B) a soil map of the area, as typically available from the U.S. department of agriculture natural resources conservation services; and

(C) a 100-year floodplain map of the area, if one has been developed for the area by the federal emergency management agency (FEMA). If a FEMA map is not available, the applicant shall submit a map showing the estimated location of the 100-year floodplain based on historical or hydrogeologic data.

(3) Operating plan. The written operating plan shall include the following information:

(A) The proposed operating hours of the facility;

(B) the origin and composition of the waste;

(C) the expected daily volume of all C&D waste to be accepted at the facility;

(D) the procedures for screening incoming waste for non-C&D waste;

(E) the procedures for storing and removing all non-C&D waste from the site for recycling or for disposal at a site permitted to accept the non-C&D waste;

(F) a description of all salvaging operations on-site;

(G) the procedures for handling appliances that will be disposed of;

(H) the procedure for handling nonfriable asbestos;

(continued)

(I) the procedures for placing and compacting the waste;

(J) the safety procedures for personnel and public on-site;

(K) the cover application rate, including the thickness and frequency of application;

(L) the procedures for dust suppression and fugitive emission control at the disposal unit and on haul roads;

(M) a description of storm water control measures to be implemented during operation of the facility;

(N) a description of the facility's water supply system, including the source and intended uses;

(O) a description of all machinery and equipment to be used, including the design capacity;

(P) a contingency plan for the following:

(i) Emergencies, including fires and spills; and

(ii) any other unexpected suspension of operations, including equipment breakdown and personnel emergencies;

(Q) a description of when and why the operator would suspend receipt of waste at the facility, including the following:

(i) Temporary situations;

(ii) final closure due to conditions of the permit; and

(iii) attainment of final elevations;

(R) a drawing that delineates and numerates phases in the landfill development sequence, along with a written description of the facility development approach and the waste placement progression in individual units;

(S) the proposed capacity of the facility; and

(T) the expected life of the facility.

(4) Closure plan drawings. The closure plan drawings shall include the following items:

(A) Surface drawings of the site showing the following information:

(i) Access control;

(ii) final contours, with a contour interval of two feet or less;

(iii) seeding specifications;

(iv) landscaping;

(v) erosion control devices;

(vi) final surface water drainage patterns and runoff retention basins; and

(vii) waste disposal locations; and

(B) cross sections of the site that depict the following:

(i) The disposal or storage locations of wastes;

(ii) the type and depth of cover material;

(iii) the C&D contact water collection systems, if present; and

(iv) any other pertinent features.

(5) Closure plan text. The closure plan text shall include the following information:

(A) An estimate of the largest area of the C&D waste disposal unit requiring final cover at any time during the active life of the facility;

(B) a description of the steps necessary to close each C&D waste disposal unit at any point during its active life in accordance with the cover design requirements;

(C) a schedule for completing all closure activities; and

(D) an estimate of the final volume of wastes disposed of at the C&D landfill facility.

(6) Postclosure plan. The postclosure plan shall include the following:

(A) A description of the planned uses of the property during the postclosure period. The postclosure use of the property shall not disturb the integrity of the final cover or any other components of the containment system unless either of the following conditions applies:

(i) The disturbance is necessary to comply with the requirements in this regulation; or

(ii) the owner or operator submits justification that disturbance of the final cover or other components of the containment system, including removal of waste, will not increase the potential threat to public health, safety, or the environment; and

(B) a schedule of proposed maintenance activities for the postclosure care period, including the following:

(i) Postclosure operation and maintenance of cover material, runoff controls, retention basins, landscaping, and access control and, if present at the facility, the C&D contact water collection system;

(ii) the inspections during postclosure; and

(iii) the name, address, and telephone number of the person or office to contact about the facility during the postclosure period.

(7) Restrictive covenant. Each applicant shall file a restrictive covenant or notice of restrictions with the county register of deeds in the county in which the landfill will be located. The restrictive covenant or notice of restrictions shall meet the requirements of K.A.R. 28-29-20.

(8) Financial information.

(A) The applicant shall submit the following items on forms provided by the department:

(i) A closure cost estimate for third-party costs;

(ii) a postclosure estimate for third-party costs, unless exempted by K.A.R. 28-29-2101;

(iii) documentation of financial assurance; and

(iv) a business concern disclosure statement or public entity disclosure statement.

(B) The applicant shall also submit proof of liability insurance.

(9) Construction quality assurance (CQA) plan.

(A) The CQA plan shall include a detailed description of all CQA activities that will be used during construction to manage the installed quality of the facility, including the following items:

(i) Storm water management structures;

(ii) C&D contact water management systems;

(iii) base elevations;

(iv) final cover; and

(v) any other components of the waste containment and management system.

(B) The CQA plan shall be tailored to the specific facility to be constructed and shall be completely integrated into the project's plans and specifications.

(C) The CQA plan shall include the responsibilities and qualifications of the CQA personnel.

(D) The CQA personnel and the CQA certifying professional engineer shall not be required to be employed by an organization that operates independently of the landfill contractor, owner, or permit holder.

(10) Additional items. Each applicant shall submit to the secretary the following items:

(A) All demonstrations, approvals, and exemptions required by K.A.R. 28-29-302;

(B) all information required by K.A.R. 28-29-304; and

(C) the permit application fee, unless exempted by K.S.A. 65-3407 and amendments thereto.

(b) Permit modifications.

(1) Each owner or operator shall notify the secretary, in writing, of all modifications to the approved plans. The owner or operator shall implement each modification only after the secretary has provided written approval of the modification.

(2) Each facility that has a permit issued before the effective date of this regulation shall comply with the following within no more than 90 days after the effective date of this regulation:

(A) If the facility does not have an operating plan, submit an operating plan to the department;

(B) if the facility has an operating plan that does not meet the requirements of subsection (a) of this regulation, submit an amended operating plan;

(C) if the facility does not have a design plan, submit a design plan to the department; and

(D) if the facility has a design plan that does not meet the requirements of subsection (a) of this regulation, submit an amended design plan.

(c) Engineer's seal. The following documents, if submitted as part of a permit application, as part of a permit modification, or a requirement of subsection (b) of this regulation, shall be prepared and sealed by a professional engineer licensed to practice in Kansas:

(1) Plans;

(2) specifications;

(3) addendums;

(4) as-built drawings; and

(5) any other documents required for a permit application or permit modification that describe the design, construction, or closure of a C&D landfill, except financial documents.

(d) Permit renewal. The owner or operator of each active C&D landfill shall renew the permit annually by submitting the following information to the secretary at least 30 days before the permit renewal date:

(1) An updated map of the land area used for past and present waste disposal;

(2) updated third-party closure cost estimates;

(3) updated third-party postclosure cost estimates, unless exempted by K.A.R. 28-29-2101;

(4) documentation of updated financial assurance;

(5) a current certificate of liability insurance; and

(6) the renewal fee, unless exempted by K.S.A. 65-3407 and amendments thereto. (Authorized by and implementing K.S.A. 65-3406; effective Jan. 2, 2004.)

Kansas Lottery

Temporary Administrative Regulations

Article 2.—LOTTERY RETAILERS

111-2-150. T&E Oil Chain No. 1034 bonus retailer Super Kansas Cash Incentive. (a) During the period beginning February 1, 2004, and ending March 31, 2004, in addition to compensation provided for in K.A.R. 111-2-4, the Kansas lottery also offers all participating T&E Oil lottery retailers located in Kansas an opportunity to participate in a bonus retailer Super Kansas Cash incentive promotion.

(b) At the end of the promotion, the store with the greatest percentage increase in \$5 or more purchases on a single ticket for Super Kansas Cash for the period from February 1, 2004, through March 31, 2004, over the base sales period of February 1, 2003, through March 31, 2003, will win a \$300 credit on the retailer's lottery account and an in-store wheel spin special promotion to award various promotional items chosen by the lottery. Promotional items chosen by the lottery will also be awarded to all retail locations which shown an increase in \$5 or more purchases on a single ticket for Super Kansas Cash sales over the base period. (Authorized by and implementing K.S.A. 74-8710 and K.S.A. 74-8708; effective, T-111-12-5-03, Nov. 19, 2003.)

Article 4.—INSTANT GAMES AND DRAWINGS

WESTRIDGE MALL DRAWINGS

111-4-2071. Name, time, and place of drawing. (a) The Kansas lottery shall conduct a number of instant ticket drawings per year, each of which shall be entitled "Westridge Mall Drawings." The date of each drawing shall coincide with various special events conducted by the Kansas lottery at the Westridge Mall in Topeka, Kansas.

(b) The draw receptacle shall be open during lottery selling hours at the Kansas lottery's selling location at the Westridge Mall. Each drawing shall take place at the lottery selling location at the Westridge Mall in Topeka, Kansas, at the time conspicuously posted on the draw receptacle.

(c) Rules applicable to the "Westridge Mall Drawings" are contained in K.A.R. 111-3-1 *et seq.* and 111-4-2071 through 111-4-2076. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2072. Definitions. (a) All definitions contained in the Kansas lottery act (K.S.A. 74-8701 *et seq.*) and amendments thereto and lottery regulations are hereby incorporated by reference and govern unless otherwise indicated.

(b) "Westridge Mall Drawings" means the acts of drawing prizes conducted by the Kansas lottery at the Westridge Mall in Topeka, Kansas, in which participants are selected to win various prizes as described in K.A.R. 111-4-2074.

(continued)

(c) "Non-winning ticket" means any valid Kansas instant game lottery ticket not eligible to win a prize under any instant game rules.

(d) "Receptacle" means a container in which non-winning Kansas instant game lottery tickets are placed and from which the "Westridge Mall Drawings" are made. Receptacles may be sealable and shall be capable of being mixed or rotated for the purpose of ensuring random distribution.

(e) "Bare arm technique" means a type of drawing where the person drawing the winning ticket from the receptacle or drum wears a long-sleeved shirt with sleeve rolled up above the elbow, a short-sleeved shirt (sleeve not extending past the elbow) or a non-sleeve shirt which exposes the drawer's bare arm and looks away from the drawing drum or receptacle while drawing.

(f) "Westridge Mall Drawing" means the drawings which will occur at the times described at K.A.R. 111-4-2071. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2073. Entry into drawing. Entry into each "Westridge Mall Drawing" ("drawing") is accomplished as follows:

(a) The Kansas lottery shall post at or near the draw receptacle a notice conspicuously stating the lottery tickets eligible for the drawing, the date and time of the drawing, and the prize(s) that will be awarded.

(b) Entrants shall obtain a qualifying Kansas instant lottery ticket purchased from the lottery selling location at the Westridge Mall or at such retail location at the Westridge Mall as designated by the Kansas lottery, in the denomination and during the times stated on the notice set forth in subsection (a) hereinabove.

(c) Entrants shall determine if the ticket is a winning ticket in accordance with any instant game rules. If the ticket is a winning ticket, it is not eligible for the drawing and shall be redeemed in accordance with the instant game rules;

(d) If the ticket is a valid non-winning ticket, the ticket is eligible for winning the drawing and the holder of the ticket may enter the drawing;

(e) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible manner;

(f) The holder of the non-winning ticket must take the non-winning ticket with the completed information form to the location of the drawing and place it in the receptacle or drum provided;

(g) The receptacle shall be available and entries may be made at the times stated on or near the draw receptacle. Entries shall be allowed until the actual winner selection process begins;

(h) The holder of the ticket is not required to personally attend the drawing or be present at the time of the drawing to be determined a winner;

(i) There is no limit to the number of entries an entrant may make, but each entrant may only win one prize; and

(j) All eligible entrants must be at least 18 years of age. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2074. Determination of "Westridge Mall Drawing" winners and prizes. (a) At least five minutes

before each drawing, a lottery drawing official designated by the executive director shall announce to the audience that the winner selection process will begin. Any persons wishing to enter the drawing who have not yet done so, shall immediately place their tickets into the receptacle at this time.

(b) The drawing official shall announce that entries into the drawing are closed. No further entries will be accepted.

(c) Tickets in the receptacle shall be mixed with a shovel or by other means for at least two minutes or rotated a minimum of 10 times to ensure random selection.

(d) The drawing official shall designate one individual of his or her choice to participate in the selection process.

(e) The selection of drawing winners shall be accomplished by the individual designated by the drawing official, using a bare arm technique, removing one ticket from the drawing receptacle at the time stated on the notice provided as set forth in K.A.R. 111-4-2073(a). A designated drawing official and a person representing Kansas lottery security, shall review the selected ticket to determine if the name stated on the information form located on the back of the selected ticket is legible. If the ticket is determined to be valid and eligible to win and the name is determined to be legible, the name of the winner shall be announced to the audience. This process shall be repeated until three valid winners have been selected. Each valid entry drawn shall be marked in the order drawn, 1, 2, and 3.

(f) After the tickets have been drawn and each entry has been verified as valid by lottery security, three more entries will be drawn, one at a time, to serve as alternate entries. The alternate entries will be marked in order drawn, 1A, 2A, and 3A. The alternate ticket entries will be used only if the original winners cannot be located or are declared ineligible, or fail to present a fully-executed claim form as required herein. The alternates will be used, if necessary, in the order drawn.

(g) The first valid winner selected shall be awarded a prize of a \$500 gift certificate to Westridge Mall, Topeka, Kansas. The second valid winner selected shall be awarded a prize of a \$300 gift certificate to Westridge Mall, Topeka, Kansas. The third valid winner selected shall be awarded a prize of a \$200 gift certificate to Westridge Mall, Topeka, Kansas.

(h) The named persons are not required to be present in order to win the drawing prizes. The security representative conducting the drawing shall be responsible for the final determination concerning the eligibility of any ticket drawn. The first prize winning ticket drawn for each entrant invalidates all other entries for the drawing for that entrant.

(i) Each winner of a prize as a result of the drawing shall return to lottery headquarters a completed claim form as provided by the lottery no later than 5:00 p.m. on the forty-fifth day following the drawing or the person named on the ticket drawn will no longer be eligible for the prize. In such an event, the first eligible alternate entry drawn pursuant to subsection (f) herein shall be declared the winner of that prize. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-05-03. Nov. 19, 2003.)

111-4-2075. Certification of drawing. (a) Each "Westridge Mall Drawing" shall be personally observed by a member of the Kansas lottery security department and a member of the Kansas lottery marketing department or other person or persons designated by the executive director of the lottery.

(b) Upon completion of each drawing, the security official and the event manager shall issue a report to the executive director, certifying that the name of each prize winner is correct, and that to the best of their knowledge the procedures required by these rules were followed in selecting the prize winners. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2076. Co-sponsor drawings. In the sole discretion of the Kansas lottery, co-sponsor drawings may be held in conjunction with any "Westridge Mall Drawing" with local retailers, businesses, or other organizations. In no instance shall this drawing take place prior to the lottery "Westridge Mall Drawing." Such drawing, if conducted, shall be part of the lottery "Westridge Mall Drawing," and prizes, in addition to those presented by the lottery, may be donated by the co-sponsor(s). The person drawing tickets for the lottery may draw additional tickets for the co-sponsor(s). At the end of the drawing event(s), all tickets, except tickets drawn for use by the lottery, shall be returned to the draw receptacle. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2077. "The Money Game" instant ticket lottery game number 327. (a) The Kansas lottery shall conduct an instant winner lottery game entitled "The Money Game" commencing on or after December 3, 2003. The rules for this game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-2077.

BEEF 'N' BUCKS SECOND CHANCE DRAWINGS

111-4-2086. Name of drawings. The Kansas lottery shall conduct a series of five drawings entitled "Beef 'N' Bucks Second Chance Drawings" and will accept entries on and after the day Kansas Lottery "Beef 'N' Bucks" instant tickets are first offered for sale to the general public and ending on Tuesday, June 1, 2004, as specified in K.A.R. 111-4-2089. Drawings will be held at 10:00 a.m. on February 13, March 12, April 9, May 7, and June 4, 2004, at Kansas lottery headquarters in Topeka, Kansas. Rules applicable to the "Beef 'N' Bucks Second Chance Drawings" are contained in K.A.R. 111-4-2086 through 111-4-2091 and K.A.R. 111-3-1, *et seq.* (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2087. Definitions. (a) All definitions contained in the Kansas lottery act (K.S.A. 74-8701 *et seq.*) and lottery regulations are hereby incorporated by reference and govern unless otherwise indicated.

(b) "Beef 'N' Bucks Second Chance Drawings" means the act of drawing prizes conducted by the Kansas lottery at lottery headquarters in Topeka, Kansas, at the time described in K.A.R. 111-4-2089, in which participants are selected to win various prizes as described in K.A.R. 111-4-2088.

(c) "Non-winning ticket" means any valid Kansas lottery "Beef 'N' Bucks" instant game lottery ticket not eligible to win a prize under the rules of the "Beef 'N' Bucks" instant game.

(d) "Receptacle" or "drum" means a container in which non-winning Kansas instant game lottery tickets are placed and from which the "Beef 'N' Bucks Second Chance Drawings" entries are drawn. Receptacles or drums may be sealable and shall be capable of being mixed or rotated for the purpose of ensuring random distribution.

(e) "Bare arm technique" means a type of drawing where the person drawing the winning ticket from the receptacle or drum wears a long-sleeved shirt with sleeve rolled up above the elbow, a short-sleeved shirt (sleeve not extending past the elbow) or a no-sleeve shirt which exposes the drawer's bare arm and looks away from the drawing drum or receptacle while drawing. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2088. Prize. (a) The winner of a prize at the "Beef 'N' Bucks Second Chance Drawings" shall receive a prize package consisting of an electric deep freeze, outdoor gas grill, and beef, as selected by the Kansas lottery, together with delivery thereof and mandatory state and federal withholding taxes on said prizes. The approximate gross value of each prize package is \$3,169.00.

(b) There will be five winners selected at each drawing, for a total of 25 prize packages.

(c) All prizes are subject to lottery validation, set-offs and deductions authorized by law.

(d) The winner of a prize shall return to the lottery a completed claim form as provided by the lottery within 30 calendar days in which his or her ticket was drawn or the person named on the ticket drawn will no longer be eligible for the prize. In such an event, the first eligible alternate entry drawn for that prize pursuant to subsection (e) of K.A.R. 111-4-2090 shall be declared the winner. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2089. Method of entry. (a) Entry into the "Beef 'N' Bucks Second Chance Drawings" shall be accomplished as follows:

(1) Obtain a valid "Beef 'N' Bucks" Kansas instant lottery ticket.

(2) Determine if the ticket is a winning ticket in accordance with "Beef 'N' Bucks" game rules. If the ticket is a winning ticket, it is not eligible for the drawings and shall be redeemed in accordance with the instant game rules.

(3) If the ticket is a valid non-winning ticket, the ticket is eligible for the drawing and the holder of the ticket may use it to enter one of the drawings.

(4) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible

(continued)

manner. Only one name shall appear on a non-winning ticket entered.

(5) A receptacle or drum may be available for deposit of entries at various locations as may be specifically designated by the lottery. All entries so deposited shall be transported to lottery headquarters and secured until the time of the applicable drawing.

(6) Entries may also be mailed with proper postage to "Beef 'N' Bucks Second Chance Drawings" c/o Kansas lottery, P. O. Box 5596, Topeka, Kansas 66605-0596. Mailed entries must be received by morning mail pickup on the Tuesday immediately prior to each drawing. More than one entry may be mailed in one envelope.

(7) The holder of the ticket is not required to personally attend the drawing or be present at the time of the drawing to be determined a winner.

(8) Each drawing will be conducted at 10:00 a.m. on the dates set forth in K.A.R. 111-4-2086.

(b) There is no limit on the number of entries a person may make, but a person may only win one time in each drawing. Entries entered into a drawing are not eligible for any subsequent drawing.

(c) Only valid non-winning "Beef 'N' Bucks" tickets which are mailed to "Beef 'N' Bucks Second Chance Drawings" c/o Kansas lottery, P. O. Box 5596, Topeka, Kansas 66605-0596 with proper postage and received by the morning mail pickup in Topeka, Kansas, on the Tuesday immediately preceding the drawing, and non-winning "Beef 'N' Bucks" tickets entered at other locations as may be specifically designated by the lottery, shall be eligible for the drawing.

(d) Eligible entrants in the "Beef 'N' Bucks Second Chance Drawings" must be 18 years of age or older.

(e) Completing the information form on the non-winning ticket and entering the ticket into the drawing constitutes authorization to publicly identify the person whose entry is drawn. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2090. Certification of drawing. (a) The "Beef 'N' Bucks Second Chance Drawings" shall be personally observed by a member of the Kansas lottery security department and a member of the Kansas lottery marketing department or other person or persons designated by the executive director of the lottery (hereinafter "event manager").

(b) Upon completion of each drawing, the security official and the event manager shall issue a report to the executive director, certifying that the name of each prize winner is correct, and that to the best of their knowledge the procedures required by these rules were followed in selecting the prize winners. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2091. Selection of winners. The following process shall be used for the selection of winners in the "Beef 'N' Bucks Second Chance Drawings:"

(a) Kansas lottery personnel shall pick up all mail containing "Beef 'N' Bucks Second Chance Drawings" tickets at the United States Post Office in Topeka, Kansas, with the final pick up at the Topeka post office in the morning mail pickup on the Tuesday immediately preceding each

drawing. Following the morning mail pickup on each Tuesday immediately preceding each drawing, the envelopes containing mailed entries will be transported to lottery headquarters and opened by lottery personnel. All mailed entries and entries retained from such other locations as specifically designated by the lottery shall then be placed in the drawing receptacle or drum.

(b) Each drawing shall be held at Kansas lottery headquarters and shall be open to the public with lottery security personnel present. Each drawing shall be audio and video taped.

(c) At each drawing held on the dates and times set forth in K.A.R. 111-4-2086, lottery security personnel will be present with the person designated by the executive director to perform the drawing. Prior to each drawing, if a drum is used, the drum shall be sealed and the contents mixed by rotating the drum at least 10 times. If a receptacle other than a drum is used, the contents shall be mixed with a shovel or by other means for at least two minutes prior to the drawing.

(d) The designated individual shall then unseal the drum, if a drum is used, and using the bare-arm technique, while looking away, remove five entries from the receptacle or drum, one at a time. The person whose name appears on each entry shall be the winner of one of the prize packages identified in K.A.R. 111-4-2088, subject to validation by the lottery as set forth in these rules. Each valid entry shall be numbered from one through five.

(e) After five entries have been drawn, and the entries have been verified as valid, five more entries will be drawn, one at a time. The last five entries drawn will serve as alternate entries for the prize packages. The alternate entries will be marked in order drawn, 1A, 2A, 3A, 4A, and 5A. The alternate entries will be used only if one or more of the original winners cannot be located or is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the thirtieth calendar day following the drawing. The alternates will be used, if necessary, in the order drawn. If an alternate winner cannot be located, is declared ineligible, or fails to present a fully-executed claim form to lottery headquarters by 5:00 p.m. of the thirtieth calendar day following the claim form being given or sent to the alternate winner, the alternate winner process shall be repeated until the prize is properly claimed or until such time as no alternate winners remain, whichever occurs first.

(f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the entry into the "Beef 'N' Bucks Second Chance Drawings" in accordance with these regulations. If it is a valid entry and the name is legible, the event manager and the security person present shall record the name of the winner and the prize won. Each winner shall be given or sent a prize claim form to be completed and returned to the lottery within 30 calendar days of the drawing.

(g) If the entry is determined to be ineligible, it shall be discarded by the security person present and another entry drawn. This procedure will be repeated until valid selections are obtained.

(h) Only non-winning "Beef 'N' Bucks" instant tickets as defined by these rules are eligible for the drawing.

(i) All "Beef 'N' Bucks" tickets remaining in the drum or receptacle after the winners and alternatives have been selected in each drawing, and all entries not received in compliance with these rules, shall be destroyed pursuant to K.A.R. 111-3-34. (Authorized by and implementing K.S.A. 74-8710; effective, T-111-12-5-03, Nov. 19, 2003.)

111-4-2092. "All the Marbles" instant ticket lottery game number 326. (a) The Kansas lottery shall conduct an instant winner lottery game entitled "All the Marbles" commencing on or after December 3, 2003. The rules for this game are contained in K.A.R. 111-3-1 *et seq.* and 111-4-2092.

(b) The "play symbols" and "play symbol captions" for this game are as follows:

FHN	=	\$500.00

(f) The price of instant tickets sold by a retailer for this game shall be \$5.00 each.

(g) "All the Marbles" is a key number match game with a double and triple feature. A player will remove the scratch-off material to reveal 10 "WINNING MARBLES," five "YOUR MARBLES," two "TRIPLE MARBLES," and three "DOUBLE MARBLES." If any of the "YOUR MARBLES" match any of the "WINNING MARBLES," the player wins the prize directly below that matched marble. If a player matches any of the "YOUR MARBLES" to any of the three "DOUBLE MARBLES," the player wins double the prize shown for that marble. If a player matches any of the "YOUR MARBLES" to any of the two "TRIPLE MARBLES," the player wins triple the prize shown for that marble.

(h) Each ticket in this game may win up to fifteen times.

(i) Approximately 600,000 tickets shall be ordered initially for this instant game. Additional ticket orders shall have the same prize structure, the same number of prizes per prize pool of 300,000 tickets, and the same odds as were contained in the initial ticket order.

(j) The expected number and value of instant prizes in this game shall be as follows:
